Fundraising Report – Presented By Melissa Knezacek

Fundscrip has started. Only 8 registered so far but nobody has paid for anything yet. Melissa will remind June to remind families on Friday emails.

BPs box. Kids can send receipts in with their agendas to go into the box in the office.

Cob's Bakery. Please announce prior to paying if you are from Sturgeon Heights School for them to give us a % of your purchase.

Melissa is waiting for the e-transfer confirmation so she can send an email to families for a no-fundraiser fundraising. No receipts can be given.

Admazing – not doing it this year because the company isn't doing it.

Purdy's – we'll start at the beginning by November. Order has to be in by November 20th. Can be ordered and paid for online. Kids will receive books to take home.

Ice Melt – the company is limiting their reach to people who signed up last year. \$10 per bucket in profit. So next year we'll get on that fundraising.

Red House Salsa, Poinsettias, cookie Dough are all possible options for Christmas. Melissa is looking for feedback. Cheryl and Crystal mentioned cookie dough and poinsettias are their most favored fundraisers.

For fundraising, in Namao has booked a community hall. We can use the school interview.ca website to arrange pick ups.

Group came to a consensus on Poinsettias for the Christmas fundraising. Cookie dough for a later date.
